NON-NUNM DATA COLLECTION FORM

Please complete the table below for all non-NUNM sites:

Non-NUNM Site Name	**Type of Data/Specimens being collected/received**	**FWA Number[1]**

If a site listed above does not have an FWA number, please check all that apply:

☐ A non-NUNM employee will interact with living individuals for the purposes of this research. A
☐ non-NUNM employee will release individually identifiable private information about a human subject or permit the NUNM investigator to obtain this information without the subjects' explicit written permission.
☐ A non-NUNM employee will obtain, receive, or possess private information that is individually identifiable (whether coded or not) for research purposes and provide this to the NUNM investigator.

If any of the above is checked, the site may need an FWA Number[1]. Contact your IRB Liaison or study coordinator to discuss whether this will be required.
